Lecture Series on Design Principles

The Israel Quilters Association invites its members to a unique online lecture series on Zoom. Enhance your understanding of design principles with us!

Led by: Shulamit Ron, an experienced lecturer and quilting artist.

Series Highlights:

- Theoretical lectures on design principles

- Analysis of works to illustrate these principles

- Instructions for self-practice in collage technique

Schedule of Meetings: The sessions will be held monthly on Mondays at 18:00:

- **January 27:** Composition: Open/Closed, Balance, Symmetry

- **February 24:** Composition: Unity and Diversity

- **March 24:** Lines and Shapes

- **April 21:** Color, First Session – Color Principles (Value, Hue, Intensity)

- **May 26:** Color, Second Session – Types of Composition, Proportions

- **June 23:** Pattern and Texture

Duration: Each session lasts for two hours. **Location:** Zoom (a link will be sent to those who register)

Who Should Attend? This series is perfect for all quilting enthusiasts, whether you're a beginner or advanced, who wish to broaden their knowledge and enhance their design skills.

How to Register? For registration and more details, visit our association's website or contact Yona Halperin.

Join us for creativity, design, and enriching learning experiences!
