December 2024

Another year is at its close and it's a time of retrospection.

We have had a very busy year; we have tried to give our members a chance to enhance their skills and learn from others. We hope we have fulfilled your expectations.

This past month we had a zoom lecture by David Owen Hastings talking about 20 Modern Quilts from around the world. The works were beautiful, and David showed us that even in Modern Quilting the rules can be broken.

We had a Tiyul to Be'er Sheva. We met with Dr. Pnina Albin Vigenfeld who makes dolls from Paper Mache and other repossessed materials. We heard her life story and how it shaped her creativity. From there we went to the Islam Museum and saw a textile exhibit of two textile artist who prepared clothes inspired from stories of their grandmother's life in Morrocco. We visited the "Katar", the old train station and ended the visit at the Monument to the Negev Brigade where we connected the past and the present. The trip was planned that each person arrived in Be'er Sheva by train, it was very convenient as we were not stuck in traffic.

Our annual members meeting will take place on Tuesday December 10th, 2024, from 10:00-16:00. At "Pisga Center on 68 Ha'atzmaut Petah Tikvah. There is plenty of free parking at the shopping mall across the street. It is on many bus routes and there is a bus from the train station to the place.

This year we are opening the meeting for nonmembers to come are meet us and see what we have to offer. We are working hard at trying to encourage quilters to join the IQA.
